

2022 KA Summer Day Camp

DAY CAMP A: GRADES 1 & 2

KA Time Machine: Lost Treasures

Join Marci and Ollie for an adventure of a lifetime! Zig-zag back in time on the KA Time Machine and explore distant lands and kingdoms while searching for lost treasures.

Coding: My Everyday Routine

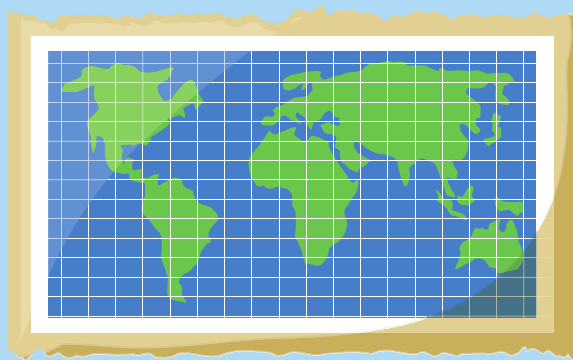

Learn about computer code by making an animation about your every day routine! Create characters and backgrounds and animate them!

Inspired by Artists

Create beautiful, colorful works of art inspired by 20th century artists such as Piet Mondrian and Wassily Kandinsky!

DAY CAMP A: GRADES 3 & 4

KA Time Machine: Treasure Hunt

Vicky and Noah are about to embark on an adventure of a lifetime! Won't you join them? Zig-zag back in time on the KA Time Machine and explore long-ago lands and distant kingdoms while searching for Vicky and Noah's lost belongings.

Coding: Let's make a Catch Game!

Understand what computer code is and how computers think. Then you will make your own Catch game using Scratch!

Inspired by Artists

Create beautiful, colorful works of art inspired by 20th century artists such as Piet Mondrian and Wassily Kandinsky!
